# Strategy Management for Business Leaders

Excellent Plan, Formulate, and Execute Breakthrough Business Strategies

## PROGRAM OVERVIEW

A company's business strategy serves as a compass that creates a vision and direction for the organization. It aligns stakeholders, partners, and employees with the company's strategic goals and priorities, anchored on its mission, vision, and corporate values.

In today's competitive environment, a well-defined corporate strategy helps business leaders keep their sights on organizational priorities while ensuring readiness for future challenges. To effectively compete and drive business profitability, companies must be agile and flexible to plan, formulate, and execute well-developed corporate business strategies that consider internal strengths and weaknesses, competitor threats, and market opportunities.

The Strategy Management for Business Leaders Online Program will develop your ability to innovate, formulate, and execute strategies that will gain a competitive advantage for your business. You will learn proven business models, frameworks, theories, and strategic tools through hands-on exercises, interactive lectures, and lively discussions of actual business cases.

By joining the program, you will build your cross-functional skills, as well as capabilities and know-how in developing and implementing corporate strategy across the company and develop a holistic plan for the future.
